warrior life

Beginning with freshmen invasion and the new six-period-a-day schedule, the 1984-85 school year turned out to be quite unique. There was the usual hustle and bustle of the first day, but the students showed extra spirit and enthusiasm. Fans and players alike united for the annual homecoming festivities with the newly remodeled gym being a main attraction. The students put much effort into making the year a success, and, as always, they proved that Galt High School is the best over all the rest.

yearbook

Much time and effort was utilized in the production of what is and will soon be memories of the 1984-85 school year. Both staff and advisor, **Mr. Klein**, worked in harmony to form layouts by combining design, copy, and photographs. The pages themselves are voice to the immeasurable creativity and dedication this staff possessed. "My staff worked hard and at times became frustrated," commented **Mr. Klein**, "but after they finished and had a chance to see their work published, they realized it had been worth it!" This year's annual has been published by Hunter Publishing (the Cadillac of yearbook publishers). Hunter ranked number 12 of the top 25 publishers, and number 1 of the yearbook publishers in the U.S.A. in 1984. "I felt that this was the right year to bring top quality to Galt High, and here you have it."

f.f.a.

Future Farmers of America (F.F.A.) is a national organization whose basic function is to develop leadership qualities. It gets students involved in activities such as showing animals at fairs and participating on one of the many judging teams.

F.F.A. is not restricted to the stereotypical 'cowboys and cowgirls'. It's assemblage consists of an array of people. Because of this, F.F.A. has been one of the largest clubs on campus for many years and continues to grow. The club did many very interesting things this year. They held the annual Greenhand Banquet, Steak and Oyster Feed, Christmas Party, Best Informed Greenhand and sponsored the Barn Dance. The club also accomplished a BOAC (Building Our American Community). This included constructing B.B.Q. tables in Herald, planting trees and putting in sprinkler systems. When asked why he liked being F.F.A. adviser, **Mr. Jim Aschwanden** replied, "You get to spend a lot of time with kids outside of class, and that's the most important thing. It takes a lot of hours, but it's the most rewarding aspect of teaching."

Galt F.F.A.'s Parlimentary Procedure Teams consist of a Novice and Varsity Teams. These teams compete in mock debate ceramonies at various contests throughout the state, including state finals at Fresno St. University in April. Galt's Parli-Pro teams are very successful and compete with over 350 other teams state-wide. They train very hard with the assistance of their coach **Larry Tosta.** The Galt F.F.A. chapter is also very active with their judging teams. These teams include Best Informed Greenhand, Marketing, Farm Records, Livestock, Horse, and Farm Power. The teams consist of three members each who judge at various contests and statewide F.F.A. field days.

Sweet Mike,

Well another year over
and another inch taller, right?
Well you have a nice time
this summer and a great
year being a junior. Just think
about the good times in
the past, the ones now and
the good times to come, like
when you grow another inch.
Oh well, just don't get into
trouble and don't party too
much ok! Have fun and
good luck

s p o r t s

When asked his feelings about the 1984 Warrior Season, **Coach Erv Hatzenbuhler** replied, "The year was discouraging. They played hard but were cheated out of wins during the last few minutes of the games. With a little luck we could have been a championship team, but luck does change. No matter how adverse things got, in every game they played all out, and never gave up." Assistant coaches were **Sigurd Anderson** and **Tom Veatch**. M.V.P.'s for the '84 season were **Alvin Costa** — Offensive Back, **Brian Parris** — Offensive Line, **Dawnee Trull** — Defensive Back, and **Richard Crow** — Defensive Line.

Due to lack of experience, this years Junior Varsity Football Team had a very slow start. Having five freshmen on the warrior team lengthened the task of getting the team properly organized on offense and defense. The 1984 J.V. team worked well together. They managed to win five out of six league games, putting them in second place. The Most Valuable Players were, #88 **Jason Hickingbottom** and #14 **Vince Harrington**. **Coach Alex Nicolaou**, "I was very proud of the team!!!"

The Freshman Football Team for 1984 turned out to be a mighty bunch of warriors. They learned to lose and especially to win as a team. This years M.V.P.'s were **Gary Lewis, Jimmy Cordoza, and Erin Holsey. Coach Adams** enjoyed this years team very much and is sure that many of them will someday become All League Players. Also Speaking for **Coach Pratton** and **Coach Rappleye**, "They were a great bunch of kids to work with. Their capability to work together, along with their obvious potential, will result in an outstanding J.V. football team next year."

varsity soccer

Above • Keith Nelson plans out a strategy to steal the ball.

The Soccer Team started the season by winning the Consolation Trophy at the Lincoln Invitational Tournament in Stockton. With nine starters missing, Galt had a 2-5 record for the first half of the regulation season. However, in the second half the team really played championship ball, by winning five games, tying one and losing only one. With help from **Coach Jerry Nelson**, the team ended the season with an overall record of 9-7-1. This was excellent considering the team was dominated by freshmen and sophomores. The team's M.V.P. and 1984 All League player was **Jorge Cruz**, who scored 27 goals during the season.

The Varsity Volleyball Team started it's season on a rocky road. Repairs to the large gym forced the team to use the small gym for practice. In addition, all the games during the first three weeks had to be changed to away, causing some losses. Finally, with the gym finished and able to play at home, the team became the "Awesome Warriors". Under the coaching of **Janice Williams**, the girls beat all but two league teams at home. They ended their season tied for third place in the G.E.L. At the awards ceremonies MVP was **Ton-ie Bautista** and the Coaches Award went to **Wendy Kutzer**.

j.v. volleyball

The Junior Varsity Volleyball Team had many talented girls who, under the coaching of **Merle Heskett**, had a winning season. With hard work, enthusiasm, and good sportsmanship, the team fell only two games short of winning the league championship. The team had depth with the returning players who also paved the way for the freshmen members. They will carry on the winning skill it takes to reach the championship goal for Galt in the coming years. This season's M.V.P. was **Rachelle Romero** and the Coach's Award went to **Kelley Murphy**.

Galt High's Varsity Tennis Team had a very successful season. They had two All League Players, **Monica Stallings** and **Linda Deits**, who helped lead the way to the top. The members dedicated much time and practice to make the tennis team number one. Hard work and skill is not all that a good team needs, they need a dedicated coach. The 1984 Galt High team had just that — **Coach Rose Gonzalez**. "We played by the rules, and because of it . . . we lost. The team was cheated out of first place. But in their own minds, they know that they won."

Galt High School's 1985 Varsity Basketball Team did well in Pre-League Season against teams of their caliber. The team was very aggressive and spirited, not to mention competitive. Varsity played well for their small size. They did not give up even if the game was at a loss. The Valuable players for 1985 were; #44 **Brent Steele**, #13 **Eion Espera**, and #33 **Jeff Dela Cruz**. **Coach Nottoli**, "I was pleased with their willingness to learn. They're a never-quitting team. No matter how bad things were, they played hard until the end. I was also proud of their enthusiasm and good sportsmanship."

Because the 1985 Girls Varsity Team consisted of only one senior, six juniors and three sophomores, it was quite inexperienced. Yet their goal was to finish in the top half of the toughest Single A League in the state. Two valuable players were **Linda Diets** and **Lisa Trull**.

Bettencourt, "I was very proud of the effort and the poise they showed at the end of all the games." A few valuable players were #33 **Mike**

Merseral, #4 **Alan Espera**, #34 **Rick Esparza**, #40 **Jason Hickingbottom**, #42 **Eric Turner**, and #41 **Darren Brown**.

girls j.v. basketball

The Girls Junior Varsity Team really had its work cut out. With no returning players from the 1983-84 squad, the teams eleven freshmen and four sophomores found inexperience to be their toughest opponent. Concentrating on basic skills and strategies, the J.V.'s battled it out with some of the toughest and most experienced teams in the league. The enthusiasm of these young players, teamed with their skills and a years worth of playing experience, holds great promise for 1985-86.

freshmen boys basketball

The Freshmen Team is an integral part of any school's basketball program. It's a year in which the players learn fundamental skills and basic strategies. These newly acquired attributes not only improved their performance on the court, but also develops a sound foundation on which to build.

The 1984-85 team came in with very little experience. The team matured a great deal during the season. Unfortunately a team's accomplishments do not always show in a win-loss record.

Coach Enous quoted, "Although my team didn't win as many games as they would have liked, they have done many things that they can be extremely proud of. I know they have made me proud, and I wish them the best of luck in the years to come."

Mike,

How long have we been friends? Well I guess it's been a long time. Hopefully we'll be friends for a lot longer. You're a really sweet + cute guy. One of these days you're gonna have a million women after you. I'm glad we graduated together in the 8th grade. Hopefully we'll graduate from the 12th together. That is if I pass. Remember when we were in MR. Perry's class, and you used to draw pictures of weird monsters, well I always liked those pictures, you should be an artist. And, remember the play last year, you had so many parts I often thought you would end up with split-personality. I'm really glad you're part of my High-School years, you make them special. Thanks

P.S. - keep in touch 148-5808

Love ya
always,
Camil Macana

Wow! It's kind of hard to believe, but I've survived another year of yearbook. When I first joined Galt High's yearbook staff three years ago, I never thought that one day I would be editor; but here I am, 1984-85's editor.

What does a yearbook consist of? Pictures . . . right: Well, this book is full of terrific pictures thanks to my photographer Bree Satterfield. It was a great pleasure working with Bree. She is a super photographer as well as a good friend. Thank you, Bree, for helping me in my times of need. This book couldn't have been as good as it is without your help. I would also like to express my gratitude to Anthony Chance for helping us develop gobs of film on the spur of the moment.

Putting this yearbook together took lots of time, hard work and a lot of cooperation from my staff. I had the greatest staff any one could ask for. They put up with my ordering them around, and my crankiness on deadline weeks. When you see the following staff members, tell them thanks for a job well done! And again, thanks so much for all your hard work: Valerie Bohr, Kathy Cory, Stacy Evans, Raquel Fuzi, Glen Galindo, Esther Gutierrez, Michele Kenny, Alan Loughridge, Scott Macanas, Michelle Oneto, Patty Schuetts, Sandy Sullivan, Nicole Bell; and a lots of thanks to Shiela Fike for coming in on her own, and helping us out when we needed her; and to Beth Siegalkoff for being so willing to listen to what was going on, and for giving me her thoughts. And, of course, to my Dad, Mom, and to Don Long for being so supportive.

Being this year's editor, I learned a lot, and I couldn't have done it without the help of my adviser, Mr. Klein. Thank you so much for filling my head with yearbook knowledge. It was very interesting working with him because he always had "strange ideas;" but they always seemed to make the book a little more exciting. I really enjoyed working with him, except when it was deadline **everything**. But, other than that,

This book took a lot of time is happy with it, and I apologize clubs not pictured, but we tried your standards. and staff all the luck in the world. did.

Sincerely,

Tina Mendonca

This has been a hectic year to and headaches have paid off. to top all others. But it couldn't hardworking staff members. quick temper and sad wit. all be proud of. However, I, for is one more thing I'm thankful for. ca. It was really great getting to luck always, Tina, I hope we're

I'd also like to thank Scott when I just needed a hug, or a shoulder to lean on; Glen Galindo for just being Glen; and most of all Kathleen "Kaphy" Cory for staying all those late nights to keep me company and especially for being the best friend in the whole world. Also, a big thanks to Nicole Bell, Valerie Bohr, Esther Gutierrez, Raquel Fuzi, Alan "Steve" Loughridge, and Michele Kenney, the short blond person, for working so hard and making this publication the very best it could possibly be.

Last, but far from least, Mr. Klein. Mr. Klein is a lot more than just an adviser. He's always there when anyone needs help or advice, he listens to other people's suggestions, he always looks on the brighter side of things, and most of all, he's a true friend. Besides, he let me go to camp.

I'm really going to miss him and a lot of other people a great deal after I graduate. Whenever I remember my high school days, I'm sure memories of working with this staff will come up.

In closing I'd like to wish next year's staff and all future staff members all the luck in the world! (You're going to need it, especially without me. Just kidding. Ha, Ha!)
